

# PROCESS OF PERSONNEL SELECTION DESERTED HIRING RESOLUTION

By virtue of the powers granted by a government agreement protocolled before a notary, Don Manuel Perelló Font, on 22/01/2007 with protocol number 158 and the resolution of the Technical University of Catalonia's rector, Prof. Francesc Torres, on 28/02/2018, which ratifies me in the position of Executive Vice President of the International Centre for Numerical Methods in Engineering and in accordance with the minutes of the Governing Council of November 29, 2013, which establishes the delegation of the functions of the contracting body of the entity

## **HAVING SEEN** the corresponding personnel selection file: **VAC-2019-66**

- I. CIMNE received the Excellence Severo Ochoa seal in December 2019. With this recognition from the Ministry of Science, Innovation and Universities, centres that develop high-impact research with great international notoriety of the scientific contributions they make, as well as for their innovative capacity and intense relationship with the business sector, are rewarded.
- II. This recognition is associated with a four-year strategic project or plan with an economic endowment that allows the incorporation of a significant number of new researchers.
- III. On December 20th, the relevant offer was published on CIMNE's website and Euraxess and was disseminated through social media.
- IV. Once the deadline indicated as a limit for the submission of offers had expired and the offers were counted, it was recorded that 15 candidacies were presented.
- V. In accordance with the provisions of the competition announcement, the merits were evaluated and the corresponding tests were carried out.
- VI. On February 12<sup>th</sup> and 19<sup>th</sup>, the Severo Ochoa Selection Committee proceeded to evaluate the nominations and pre-selected 4.
- VII. On March 6<sup>th</sup>, the Main Researcher associated to the offer evaluated the shortlist.
- VIII. On April 20<sup>th</sup>, Mr. Ehsan Sadeghi, the selected candidate decided not to accept the position and selection committee elevated the proposal to declare the process as a DESERTED to the management of the center who, once the documentation of the file was revised, gave their approval.

In accordance with this foundation and once the corresponding documentation has been reviewed,

## I RESOLVE

Firstly: The declaration of this selection process as **DESERTED**.

Secondly: The publication of this resolution on **CIMNE's website**.

Against the present resolution, which terminates the administrative procedure, appeals for replacement may be done within one month from the day after its publication, before the hiring team – in accordance with the provisions of article 123 of law 39/2015 of the Procediment Administratiu Comú de les Administracions Públiques as well as article 77 of Law 26/2010 of August 3<sup>rd</sup> of the Règim Jurídic i procediment de les Administracions Públiques de Catalunya – or a contentious administrative appeal within two months before the corresponding courts.

The presentation of a motion for reversal will prevent the filing of an administrative appeal until it has been expressly resolved or the dismissal of the alleged withdrawal due to administrative silence has occurred.

Barcelona, April 20th, 2020.

**Eugenio Oñate Ibáñez de Navarra**  
Executive Vicepresident CIMNE
